ROUGH RIDER DIES.

Mr. Oscar de Montel, born at
Castroville, Texas, October 7, 1862,
the fifth child and third son of
Charles de Montel, Sr., was one of
the first settlers of the town of
Castroville, one of the first land
surveyors in Medina County, founder
of the town of Bandera and Captain
of Texas Rangers in early days.

Oscar de Montel enlisted in the
Spanish-American War with Roose-
velt's Rough Riders, in First U. S.
Vol. Cavalry at Santa Fe, New Mex-
ico, May 3, 1898, saw service at San-
tiago and San Juan Hill, in Cuba.
Discharged at Montauk Point, New
York, September 15, 1898. He was
a member of Company H, Captain
Curry commanding.

He enlisted again for the Philippine
Insurrection at Roswell, N. M., in the
11th U. S. Vol. Cavalry, Troop B,
September 9, 1899, went to Philippine
Islands, among the head hunters,
Igarottes in Upper Luzon. Discharg-
ed at Manila, P. I., January 29,
1901.

While living in the Chisos moun-
tains in the Big Bend country, he
went as a guide with Gen. Pershing's
expedition into Mexico.

He afterwards went into govern-
ment service on Canal Zone, at
Colon, and with an expedition to
South America.

He died at Fort Whipple, Ariz., in
the U. S. Veterans Hospital, Friday
morning, November 8 at 3:20 a. m.
His body was shipped to Hondo and
was interred in the family grave-
yard above Castroville, on Monday,
November 11, 1929 at 3 o'clock p. m.
Rev. W. Kralik of the Lutheran
church conducted the services at the
grave.

He is survived by two brothers,
Ed. de Montel of Hondo, and Robert
de Montel of Castroville, who lives
on the old homestead, where de-
ceased spent his early youth, and one
sister, Mollie de Montel Haass, of
Hondo. Also twelve nephews and
fourteen nieces. One brother, Chas.
de Montel, Jr., and two sisters, Mrs.
Octavia Hopp and Mrs. Pauline Tay-
lor, preceded him in death.

The honorary pallbearers were Dr.
R. P. Thomas, Herman Geyer and
Henry F. Renken of San Antonio;
Jacob Reinhart of Sabinal; Joe Ney,
Jack Reilly, Aug. Hornung, Wm. O'F.
Donnell, D. H. Fly, J. M. Saathoff,
F. F. Muennink, Dr. W. H. Smith,
Henry V. Haass, Sr., of Hondo; Louis
Wurzbach, Chas. Wurzbach, Louis
Fuos, Aug. Wurzbach of Castroville,
Texas. Active pallbearers, the neph-
ews of the deceased, were Chas. de
Montel, Oscar B. Taylor, Monroe
Taylor, E. H. de Montel, Frank de
Montel and Richard de Montel.

WORLD FAMOUS ARTISTS TONE TEST CROSLY RADIO!

For many year, engineers have
measured the tone-fidelity of radio
sets by charts and curves in the
laboratory.

Now Powel Crosley, Jr., in his
search for finer tone quality, has
gone a step further than radio has
ever gone before!

Crosley Radio is now regularly
subjected to the expert tone scrutiny
of America's foremost musical ar-
tists: Efrem Zimbalist, Edith Mason,
Alma Gluck, Jose Mojica, George
Gershwin, and others.

With Crosley sets in their homes,
these artists "listen in." They com-
ment, advise, give Crosley engineers
the invaluable benefit of their opin-
ion.

Under their guidance the tone
quality of Crosley Radio is devedoped
to please you as no other radio has
ever done. Thus is achieved a mar-
velous richness, fullness and natural-
ness of tone that mechanical tests
alone could never attain.

Not only in the development of
tone-tested screen grid radio does
Crosley dominate the field, but also
in price. Crosley has had the lowest
price consistent with good radio
merchandise. Recently some manu-
factures cut the price of their sets
to approximately those of Crosley
and now Crosley has made still fur-
ther improvements and still lower
prices, definitely maintaining its
established leadership in the radio
industry.

SAD PASSING OF HONDO GIRL.

While on her way to Gonzales
from Luling Friday, November 1, ac-
companied by four Luling high school
girls, Miss Amanda Smith, who was
driving at a slow speed, lost control
of the car, struck a railing which
caused the car to go into a ditch with
a part of the railing penetrating the
entire length of it. All were slightly
injured, Miss Smith receiving a
deep scalp wound. She was carried
to the Holmes Hospital in Gonzales,
where after about three hours delay
her injury was attended and she was
sent, the following day, back to Lul-
ing.

Sunday a streptococic infection set
in and Monday, her condition grow-
ing worse, she was carried to the
Luling hospital where the wound was
reopened and drains put in. All that
skilled and loving hands could do was
of no avail and she passed away Fri-
day, November 8, at 8:45 o'clock, a
week after the accident.

Her body was brought to Hondo
and buried in the local cemetery
Saturday afternoon, mourned by all
who had been fortunate enough to
have known her in life.

She was born March 31, 1893, at
Hondo, Texas. Graduated from Hon-
do High School at the age of 15
years. Always a student, she devoted
her life to the work of teaching.
After teaching in the Hondo school
for eleven years she finished her
college work and received her B. S.
degree from the Southwest Teachers'
College at San Marcos, Texas. For
the past four years she has taught
high school English. That she was
very successful is evident from the
progress made by the Luling English
department under her supervision.

Miss Amanda was a true Christian
character, having obeyed the Gospel
at an early age. She was devoted to
the church and to her Lord.

Her death was a terrible shock to
all her loved ones. May the Lord help
us to live so that we may meet her
in the world to come.

GOING ON CASH BASIS.

Elsewhere is a display announce-
ment of an agreement of all the
Hondo Automotive service people to
go on a cash basis on December 1.
Credit has become so firmly estab-
lished in all lines of business that it
will seem awkward to fork over the
cash for your gasoline, etc., but since
cash on the barrel head means the
elimination of all losses from bad
accounts, goods can be sold on a
closer margin and it will eventuate
in a material saving to the consumer.

Buyers should encourage the effort
to reach a cash basis as they as well
as the dealers have much to gain and
only the deadbeat stands to lose—he
loses his chance to beat at the honest
customers' expense for the man who
pays must pay for him as well as
himself.

Pay cash and promote prosperity
and more economical service.

The Second Annual Fair Scores A Big Success

EXHIBITS LARGE AND VARIED;
RACE MEET UNSURPASSED;
SOCIAL FEATURES
COLORFUL.

RECORD ATTENDANCE ON LAST
DAY.

The Medina County Fair scored a
success in every way that is gratify-
ing to all well-wishers of the enter-
prise. Not only was it a success
financially, but the displays, the race
program and the entertainment fea-
tures were such as to leave little else
to be desired. And all this was achiev-
ed despite a most inauspicious be-
ginning.

Saturday, November 9, the open-
ing day of the Fair was ushered in
by a drizzly, soaking rain that soon
had the roads and streets muddy and
made traveling difficult. The big
opening parade had to be postponed
from Saturday until Monday. Mr.
H. H. Ochs, the orator for the day,
braved the inclemency of the weath-
er and came out from San Antonio,
but his speech had to be called off,
and prospects up to noon of the first
day looked gloomy indeed. But to-
wards evening the weather moder-
ated and the race program of four
races was carried out on schedule
time. The football game between
Crystal City and Devine was also
played, resulting in a victory for
Devine.

The weather was much more favor-
able Sunday and there was a goodly
attendance of people from all over
the county and quite a sprinkling
from other points, and from San An-
tonio in particular. Many old friends
met for the first time in months—or
perhaps years—and the renewal of
old ties of friendship was not the least
of the many pleasures incident to
the occasion.

The outstanding feature of Sun-
day's program was the five horse
races in the afternoon in which there
were quite a number of entries. In
fact, in point of numbers and the
high class of horses entered and the
skillful direction of Mr. McMillan,
the official Starter, the race features
of the Fair were equaled by few and
excelled by none in this section this
season.

In the evening an old fiddlers' con-
test and an old folks' dance featured
the closing of the second day. The
fiddlers' contest was won by Sheriff
Whistler of Del Rio who was accom-
panied by Mrs. Whistler on the piano.
The grand march was led by F. P.
Seekatz, 78-years young, accompa-
nied by Mrs. Renken of San Antonio.
The vast dance hall was comfortably
filled by dancers—the belles and
beaux of several generations ago.

The weather on Monday, the last
day, could not have been more ideal
had it been made to order and a
record attendance of approximately
6,000 passed through the gates dur-
ing the day. The American Legion
members and the school children of
Medina and adjoining counties were
the guests of the Fair management
for the day.

The grand parade, which had been
postponed from the opening day, was
carried out promptly at ten o'clock
Monday morning. Besides the queen's
gorgeous float occupied by Miss Agnes
Haby of Dunlay and her atten-
dants, there were community floats
from almost every neighborhood in
the county and one from Sabinal and
two from Pearsall, as well as numer-
ous school, society and individual
floats and decorated cars, which pre-
sented a gorgeous and beautiful dis-
play.

In the school float competition,
St. John's School of Hondo won first
prize, Hondo High School won second
and Secco won third; while in the de-
corated floats division, Castroville
won first, Riomedina won second and
LaCoste won third.

In the commercial float competi-
tion, Old Gold Cigaretts' float took
first prize and the Gulf Refining
Company float won second. Winners
in the decorated cars' division were
Pearsall, first; Mrs. Pauline Britsch,
second and Cliff, third. The Boy
most original float and Kincheloe
Scout float won first prize for the
School, with a reproduction of the
"Old Woman's Shoe" was second.

The stroller prize was awarded to
the children of the Hondo school
seventh grade, who paraded as a

band of Comanche Indians, and the
fraternal prize was awarded to the
Hondo Luther League, Hondo Lions
Club and the Hinaka Club of D'Hanis
won second and third prizes in the
latter section.

For the most comical entry, Ben-
nie Crow, dressed as a clown, was
first and Roy Schweers won second
place. Mrs. Bessie Heyen was judged
the best woman rider and Oscar
Bader the best man rider.

Arrived at the Fair grounds, the
speaker of the day, John K. Weber,
past post commander of the Alamo
Post, American Legion, of San An-
tonio addressed the multitude and
paid a tribute of respect to the
soldiers of the World War.

The afternoon's race program con-
sisted of four races which attracted
the usual interest of a large number
of race fans.

The Hondo Owls contested for
football honors with the Sabinal High
School team on the local gridiron—
losing to the visitors. This game is
reported in detail elsewhere in this
paper. The closing feature was the
Coronation of the Queen, the Page-
ant of the Seasons and the Queen's
Ball. All combined, they constituted
the outstanding entertainment fea-
ture of the Fair, being a colorful dis-
play of youth and beauty assembled
from every section of the county.

The coronation and the pageant,
representing Medina's Magic Garden,
directed by Miss Josie Rothe of Secco,
and the dances directed by Miss Mary
Wilson, playground supervisor of San
Antonio schools, contained children
from the school districts of Dunlay,
Burrell, Devine, Secco, Riomedina,
Shook, D'Hanis, Natalia, Longview,
Fly, Biry, Vandenberg, Quihi, Lein-
weber, Verdina, Hondo, Cliff, Enter-
prise, LaCoste, Castroville, Pearson,
Kincheloe, Yellow Bank, New Foun-
tain and Live Oak, as well as the
Duchesses and their Maids, Dukes
and Esquires from the various com-
munities.

At the coronation of Her Imperial
Majesty, Queen Agnes of the House
of Haby, as queen of Medina County
Fair, Dr. O. B. Taylor served as Lord
High Chamberlain; Felix Batot,
President of the Fair Association, as
Lord High Priest and Lawrence Fritz
as the Queen's escort. Lucy Davis
and Lucille Van Fleet were the Her-
alds; Clovis Schweers, Scepter Bear-
er; Bernice Brucks, Flower Girl;
Elsie Bel and Jonell Bendele, Train
Bearers and E. J. Haby, Crown Bear-
er. Anna Laura Welhausen and Sis
and Billie Merritt were the court
jesters. Jeannette Merritt led the
Autumn Group in the Pageant of the
Seasons and Dutz Davis interpreted
the Dance of the Sun Goddess in a
dance before the queen.

Following constituted the imperial
household:

Lady Irma of the House of Man-
gold, Duchess of Castroville; Duke,
Joe Biediger; Maids: Mabel Tondre,
Freddie Jagge; Esquires: Sammy
Ahr, Oswald Poerner.

Lady Minnie of the House of
Braden, Duchess of Kincheloe; Duke,
Robert Kappelmann; Maids: Cath-
leen Myrick, Anna Frick; Esquires:
Joe Martin, Clyde Aiken.

Lady Clara of the House of Schott,
Duchess of Riomedina; Duke, Oscar
Schott; Maids: Ethel Haby, Bernice
Rihn; Esquires: Harry Haby, Milton
Bippert.

Lady Teresa of the House of Con-
rad, Duchess of Shook; Duke, Lou-

CASTROVILLE, TEXAS, WEDNESDAY, NOV. 13, 1929

FOR THE BEEKEEPER

By Louis Biediger.

Since fall weather has set in and cotton is ripening and is being marketed, central and northern Texas honey orders have started coming in a little better and it appears that our Medina County Market might be bare of honey before next spring.

The writer saw some very fine honey displayed at the Winter Garden Fair. Of course, we also got home our pro-rata of premium money, with a decoration of blue, red and gold ribbons. We had some nice Huajilla honey in the frames, but same was wrapped up and stored away on account of Frio County bees who got rambunctious about this beautiful Medina County honey. After the removal of the Medina County honey the bees quieted down, and did not bother the Frio County honey in the frames.

In 1930 if still alive, and the Lord wills, I may request the Winter Garden Fair, to screen off the Bee and honey corner so Medina County Huajilla honey can be exhibited on the side of any other honey, that may come there from any point of the world.

Mr. Geo. Arnold, Superintendent of the bee and honey exhibits at the Winter Garden Fair, who can vouch for the above, bought a jar of honey at a North Texas Store carrying the label "pure honey" but having at least 75 per cent glucose in it. It was awful tasting stuff, but had the good looks, which some people are guided by, alone. Even bee men who should know better, found the contemptible stuff O. K.

Mr. Arnold of Pearsall also told us that a certain young lady is running a packing plant for honey in Abilene, Texas, where she blends some concoction or mixture having a few per cent Uvalde County Honey, the balance mostly glucose, under the label of Uvalde Honey. We have been told that she has been arrested and is confronted with several federal and state suits for adulteration of honey. Let us hope that she will be mercifully sent to the penitentiary for life, where she can do penance for her ill deeds.

It is said that this one woman has sold more adulterated stuff as Uvalde Honey than all the beemen of Texas have sold of the real honey. Therefore, the writer does hope that Uvalde County beemen will exert themselves so this pest, and her nefarious business will be stopped.

From recent information I have learned that bees, in the Kin-kinnick country are now building up good for the winter and spring. In eastern Medina County, where sufficient moisture has fallen, the broomweed and other fall plants are furnishing pollen and honey, but in the real Huajilla country, little or nothing is blooming and brood-rearing is very much retarded. So keep a good watch on your bees in the Huajilla hills; you might have to feed them.

Leonard T. Schwacoper of Hemet, California, advises in Beekeeper's Item for October, roadside signs advertising honey. I would suggest also advertising in the papers, and talking honey loud and often, especially its wholesome qualities for young and old. The hen advertises the fact to the world when she has laid an egg, for she knows it is good. The beemen when they have honey go around the corner grocery and

beg the merchant to take it off their hands.

After you have created a demand for honey, then the grocery store is a logical place to sell same in neatly labeled cans and glass jars. Of course you have to allow the merchant a fair profit on the sale or else your honey will remain on the shelves of said store from year to year, or until some collector of antiques will get them a thousand years hence.

C. F. Cook of Macon, Illinois, gives expression to his idea in Beekeeper's Item of October, to the effect that everyone should keep bees.

Good, Mr. Cook! But, to whom would we pour intensive and extensive, as well as exclusive beekeepers, sell our honey? Did you ever think of that end of the question?

Perhaps Mr. Cook is a beehive manufacturer or a queen-breeder, or else just a common agitator, who likes to hear himself talk.

Mr. V. W. Binderup, President of Nebraska Honey Producers Association is horrified at the size and acidity of the stinger attached to the posterior end of the three-banded Italian honey bees. He even bewails the utter impossibility of the removal of the sting after it has been jammed through the human skin. No sir! I am not afraid of the sting of a honey bee, and for the benefit of Mr. Binderup and his kind I hope someone will breed up a variety of extreme

honey gatherers with a sting an inch in length, so these non-fits would be scared out of the bee-business of which they understand nothing. A dairyman might just as like complain about the rear legs of his dairy cows.

A wild animal show held forth to the public on Houston Square Thursday night.

Mr. H. G. Knippa and Miss Edwina Halliburton, our most popular public school teacher, were happily married at the parochial residence here Friday evening, November 8, 1929, Rev. Father Lenzen officiating. After the ceremony the newly weds left at once on a wedding trip to Waco. We join the many friends of the happy young couple in wishing them bon voyage.

A slow soaking rain, amounting to approximately one inch, began falling here Friday evening and lasted until 10 p. m. Saturday morning. Rev. Walter Kralik left on a business trip to Lavernia Saturday evening, returning Sunday evening.

The corpse of Mr. Oscar de Montel, who had died in Arizona was brought to the Chas. de Montel farm, his boyhood home, where he was laid to rest Monday afternoon, Rev. Walter Kralik officiated. As we know that the Hondo Anvil Herald will publish a definite write up of our departed friend, we will just join this community in sympathy with the bereaved and grief-stricken brothers sister and other near and dear relatives, who now remain to mourn.

TEXAS AND TEXANS.

By Will H. Mayes
Penitentiary Affairs

The committee appointed by the last session of the legislature to study and make specific recommendations as to the rebuilding of the Texas penitentiary will submit a majority report favoring a location "within 20 miles of Austin," but without naming the exact place. A minority report will favor building a central prison plant or some of the State-owned plantations near Huntsville or Houston. Legislators who are expressing opinions on the committee report are by no means in accord as to what will be best. The safest guess is that nothing is likely to be accomplished as a result of the committee's investigations, at least in the near future. Doubtless the old structure at Huntsville will be patched up a bit, and Texas will continue its old methods of misjustice in caring for its prison population.

Texas Road Building

Texas led the entire country in improved highway mileage in 1928, the number of miles being 2,356. Kansas came second with 1,783 miles, and Arkansas constructed 1,673 miles of highway. The enormous size of the State will keep Texas from being covered with public highway for many years, but the work is going forward at a very satisfactory rate. Many of the counties are constructing county and community roads of an improved kind, these in most cases being laterals to the State highways.

Smith County Peaches

If there is anything in the adage "By their fruits ye shall know them," Smith County is likely to be the best known part of Texas in a year or two, as 35,000 young fruit trees, mostly peaches, were planted there last year. Several fruit growers have more than 100 acres planted to peaches. The county has long been noted for its fine fruits, and especially for blackberries, dewberries and strawberries. Pecan orchards planted in recent years are also coming into nice bearing. It hasn't been long, either, since that county was thought to be good for nothing except corn, cotton and politics.

A SHORT REPORT BY GUS ROTHE.

Phoenix, a very beautiful and modern city, is situated in the Salt River valley, Arizona, the heart of one of the richest irrigation districts in the United States. It is prosperous, progressive and growing, with a present population of about 80,000 inhabitants. The irrigation water for the Salt River valley comes from the Roosevelt Lake about eighty miles northeast of Phoenix.

In this valley are grown principally dates, oranges, citrus fruit, lettuce, alfalfa and cotton. Cotton produces as high as two to three bales per acre. Alfalfa also is a very valuable and extensively raised crop. The climatic conditions are ideal for irrigation farming. The date industry is rather new and one might say still in its infancy.

Clint Rothe, Assistant Plant Quarantine Inspector for the U. S. Department of Agriculture, is in charge of date scale eradication in the state of Arizona. The date scale is a scale insect very destructive to the date palm. This insect was brought to America from Africa in about the year 1900 through an importation of date palm offshoots. There is another scale insect, brought here about the same time, but not injurious to the palms.

The range-land in western Texas and New Mexico seems to be in excellent condition, especially that of New Mexico. The irrigated farm sections in those valleys, where water for irrigating purposes is obtainable from an artificial lake, are so in bloom and fruit that they look like a garden amidst a desert.

East Texas Today

But Smith isn't the only East Texas county that has changed in recent years; progress is evident in every part of East Texas. Not only are the farmers practicing diversification in their farm operations, but they have substituted registered hogs for razor-backs, shorthorn and Jersey cattle for longhorns, record-laying hens for barnyard dominos, paved highways for sand roads, and consolidated schools for the one-teacher school houses. There is one thing East Texas is doing, though, that this columnist doesn't like. Its Chamber of Commerce is issuing a monthly publication, that causes him to want to pack up and move over there every time he reads a copy of it. This makes him restless.

Christmas Strawberries

The Javelin (that's a newspaper) at Carrizo Springs (that's a town) says that strawberries (that's the chief ingredient of short cakes) will be shipped from there in large quantities for Christmas dinners. This paragraph is a reply that they will be mightily acceptable all over Texas if the price is within reach of the average householder, and is also a notice to the producers that this columnist always has a large family at home at Christmas time. Perhaps that is as much as should be said just now.

No, it isn't, for there is an article from San Benito, in the Lower Rio Grande Valley, that the largest acreage of strawberries ever set out there is going to be ripening for the Christmas dinner table.

Turkeys Ripening, Too

At least a dozen newspapers reaching my desk this week report the opening of new produce houses for handling the Thanksgiving and Christmas turkey crops, which seem to be abundant in most parts of the State. There is a strong rivalry between Cuero and Brady as to which produces the most and the best turkeys, with Lampasas, San Saba, Brownwood, Llano, Burnet and a half dozen other places claiming that, while other sections may make more noise about it, they are the centers of Texas turkey production. This scribe is not in position to settle the dispute.

Frank Kell's New Road

Frank Kell of Wichita Falls, is always busy at some big thing, and now one of his score of enterprises is a railroad from Abilene to Cross

Plains. The road will give Abilene direct connection with Waco. It will penetrate a rich agricultural and stock section, the development of which will be much faster when it gets a railroad outlet. Men like Kell help a country while helping themselves in their enterprises. Cross Plains will profit much from the new road.

Power Plans Revived

It begins to look like the Colorado river is to be dammed after all. The Insull interests withdrew from the proposition after Brownwood refused to let them have all the water the stream and all its tributaries could furnish, but now it is stated that another organization has become sufficiently interested to ask for a renewal of the permit which will soon expire. The company, which has headquarters at Seguin, says it has expended considerable funds on the project and that its first work will be to build the dam at Marble Falls, which will be used to furnish power for the cotton mills to be located there, a project that has been delayed for some time pending settlement of the water rights controversy.

Some Cotton Haul

In the cotton parade at the Waco Cotton Palace there was a bale of cotton that had been hauled there by truck from Sudan, Texas, 454 miles from Waco. The owner or hauler received a prize of \$50 for bringing the cotton the longest distance to enter it in the parade. That is some distance, but the cotton was brought only to about the center of the State. Brownsville should try to get that bale of cotton taken the rest of the way across Texas.

Large Wheat Crop Planted

Panhandle farmers must think that the Federal Farm Bureau is going to help them sell their next wheat crop to advantage. An increase of 42 percent over last season's planting is shown in a survey recently made. The estimated crop for that section is 2,500,000 acres, as compared with 1,750,000 acres last year. Production for the section last season was 42,000,000 bushels.

Road Building Increases

Sixteen States have curtailed their road building this year despite the nationwide appeal of motorists and road builders for more roads. In seven other states road building expenditures will fail to keep pace with the increase in automobile registrations, according to a report of the American Motorists' Association. Texas is one of the seven states, where the highway programs provide for increased expenditure, the other states being Georgia, Idaho, Kentucky, Massachusetts, Mississippi and Tennessee.

Mineola Steps Up

The discovery of oil at Van, in Van Zandt county, has given an impetus to improvements in that section of the State. Hotels are being built to accommodate the crowds that are coming and expected to come to the section. Chambers of Commerce are being organized and those that have lapsed activities are being reorganized. Mineola is one of the towns that is taking on new life and making numerous civic improvements. Oil is of benefit to more interests than just the owners of the oil wells.

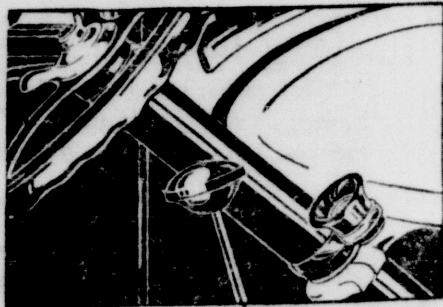

Weatherford's Fair

Weatherford opened its fall fair with a parade two miles long, which was followed by a "record breaking" attendance at the fair, something most of the county fairs are doing this year. What a pity it is that Weatherford does not have its annual fair during the watermelon and cantaloupe season. A two mile parade then could be given that would attract nationwide attention. But perhaps Weatherford people are then too busy selling and eating melons to exhibit them in a parade.

Building Fine Church

Fort Worth Methodists have started a church building that will cost \$650,000. While that sounds like a big sum of money, Fort Worth Methodists are rich enough to build the church and not miss the money. Of course, there are some poor church members in Fort Worth, as everywhere else, but as a rule the poor folks belong to the less expensive suburban churches, where they feel more at home than in the rich temples.

Application is pending with the State Board of Water Engineers for permit to divert water from the Rio Grande in Maverick county to operate a large power plant and irrigate some 60,000 acres of land, the water to be returned to the river after being used. The project contemplates an investment of some \$5,000,000.

Hamilton Has Gas

Hamilton now has natural gas and is feeling good about that and the fact that it has paved its principal streets. Texas towns are awakening to the fact that it pays to be comfortable and most of them now have most of the conveniences to be found in the cities.

MEDINA PROJECT IRRIGATION PLANTS HELD UNTAXABLE

The decision of the Medina County district court in the case of Bexar-Medina-Atascosa Counties Water Improvement District No. 1 against the State of Texas was reversed Wednesday on a decision handed down of the Fourth Court of Civil Appeals.

The ruling stated that no taxes can be collected by the State on lands used for dam sites, canals and reservoirs in the Medina irrigation project. The plaintiff showed that land used for dam sites, canals, reservoirs necessary to an irrigation project are not taxable and that the State in 1917 had passed an amendment providing that such property is not taxable because the presence of improvements beneficial to the entire county and reclaiming waste land.

The suit was to recover taxes which the plaintiff said had not been paid in 1926-27-28 totaling \$57,987.15.

"EVERYBODY'S SIX"

Smart • Smooth • Safe •

Dependable—and Priced

Within the Reach of All!

THE new Chevrolet was designed and built to bring the advantages of six-cylinder performance within the reach of all those who can afford any automobile. For that reason it has met with sensational success—more than a million two hundred and fifty thousand on the road in less than nine months!

We cordially invite you to come in and see this remarkable car. Its smart Fisher bodies are styled in the latest mode—with tasteful mouldings, concave front pillars and oblong windows. Its great six-cylinder valve-in-head engine

is smooth, powerful and unusually swift in acceleration. It is designed throughout for greater safety and dependability. And its low first cost, combined with its outstanding economy of operation, makes it truly "Everybody's Six."

Come in today for a demonstration!

the midnight Misadventure of Gregory Jones

A crash brought Mrs. Gregory Jones bolt upright in bed, her heart pounding.

"Why!" demanded her husband savagely, nursing a bruised shin and groping for the light switch. "Why did you have to leave that chair there?"

In the front hall the telephone rang again, insistently. Jones shivered in the draft from the open window, and without waiting for a reply, disappeared through the doorway. Perpetrantly, his voice drifted back to her.

"No, Eleanor is not here... Yes, we're expecting her tomorrow... Tell her what I'll tell you, young man, that it's an imposition to wake folks at this time of night! And I'll deliver no messages!"

The receiver banged on the hook, Jones, muttering to himself, stumbled back down the hall.

"That settles it!" he exclaimed, still shivering. "Tomorrow, I'll have a telephone put in this bedroom."

Mrs. Jones smiled drowsily, snuggled deep into her pillow.

"Where have I heard that before," she murmured. "Tomorrow, I'll order one, myself."

Telephones where you need them save time, patience—and midnight misadventures.

Few know that one or two additional instruments cost considerably less than the single telephone they now have!

By a wisely-placed "extension" or two, and perhaps a rearrangement of the equipment you already have, an expert telephone man can often double the convenience of your telephone service.

HONDO TEAM GLORIOUS IN DEFEAT AS SABINAL WINS BY 4 POINT MARGIN

Owls Grab Honor for Both Offense
And Defence; Windrow
Scores Twice

By Kooter MacGrail

Although defeated 18 to 14, the Hondo Owls outplayed and took all honors from the heavier, more experienced and unsportsman Sabinal Yellowjackets last Monday. Only by two touchdowns scored in the first half before the Owls learned how to match the kneeling and hacking Yellowjackets did the Sabinal team keep its record of being undefeated this season. From the start of the second half the Hondo team was ever on the verge of taking the game from the Sabinal boys. The Yellowjack linemen spent two quarters that were a nightmare, for the Owl's forward wall outcharged, out drove and outplayed the famed Sabinal line. Not only did the Feather Flock take the offensive honors, but they gathered in all the glory on the defense. McGinnis, slated for an all-district berth in the backfield, found himself to be no terror to the enraged Blue and White linesman. With first down and seven yards to go for touchdown, McGinnis drove four times at the line and found that at the end of the fourth try he had eight yards to go.

Not to be outdone by the line, the Hondo backfield, led by Captain Don Windrow, gave the Sabinal boys a lesson in the fine points of sidestepping, dodging, clear and brokenfield running and how to execute a double pass for not less than a 10-yard gain. Windrow made both the Owl's touchdowns and kicked both goals. Don scored the first marker from the six yard line after the entire team had assisted in marching the ball down the field. The second came on the kickoff following Sabinal's last touchdown. Don took the ball on the 30-yard line and went 20 yards by aid of his interference; there he met three Yellowjackets anxious to tackle him; 25 yards later Windrow had sidestepped, dodged and eluded the last of the three ambitious Sabinal boys, who watch him gallop the remaining 25 yard before placekicking goal.

A. Haegelin was in the starting line-up along with Jack Mask, both having recovered from their injuries suffered in previous games. Albert along with Windrow, Jones, Finger, Wilson and Leinweber played heads-up throughout the game. Rucker, who managed to stop McGinnis with a loss several times and take part in working double passes, Steinle, Mechler, Stiegler and Rieber were everready to foil any play attempted by the surprise Sabinal invaders.

A running account of the game:

First Quarter

McGinnis kicked to Wright, who fumbled and Sabinal recovered on the 32-yard line. Sabinal made first down on four plunges. Jones fell on Sabinal's fumble on the 19-yard line. Windrow passed to Rucker for 15 yards. McGinnis returned Windrow's punt 30 yards to Hondo's 33-yard line. Sabinal scored two first downs through the line to put the ball on the 4-yard line and McGinnis went through center for touchdown. A line plunge for point was stopped. Score, Sabinal 6; Hondo 0.

Rucker fumbled but recovered McGinnis' kickoff on the 32-yard line. Windrow, Stanley and A. Haegelin worked a double pass for 15 yards and on the next play Finger, Rucker and Windrow pulled the same play for 20 yards. Windrow, Stanley and Haegelin worked a double pass for 31 yards to put the ball on the 9-yard line. Sabinal's line braced and upon taking the ball on downs kicked out of danger by punting to the 26 yard line and killing the ball. Quarter ended with Sabinal leading 6 to 0.

Second Quarter

Hondo's ball on the 27-yard line. Windrow completed a pass to Stanley for 13 yards and Jones plunged through the line for another first down. Windrow followed this by making a first down at right end, but Smith intercepted Hondo's pass on his 18-yard line to halt Hondo's advance. Smith, McGinnis and McNair made seven first downs on a march down the field before Smith scored on an left end run. A pass for point was wild. Score, Sabinal 12; Hondo 0. Half ended on the play following

the kickoff. Score, Sabinal 12; Hondo 0.

Third Quarter

Sabinal returned the kickoff 23 yards. The ball exchanged hands on the next two plays as both teams fumbled and the defending team recovered. The team exchanged punts with Hondo making 10 yards. Windrow made 15 yards at left end and A. Haegelin made another first down at right end. Windrow and Jones each made a first down to put the ball on the 6 yard line. Windrow dove over the line for touchdown. Windrow place-kicked goal. Score, Sabinal 12; Hondo 7. Sabinal tried a double pass on the kickoff and lost 3 yards. Sabinal made two first downs but Jones broke up the Yellowjackets drive by intercepting Smith's pass on the 32-yard line. Hondo kicked to Sabinal. After Rucker threw McGinnis for a two yard loss, Mechler and Steinle fell on a fumble. Sabinal took the ball on downs and McGinnis made 28 yards before Windrow stopped him. Quarter ended with Sabinal still in possession of the ball. Score, Sabinal 12; Hondo 7.

Fourth Quarter

McGinnis made 30 yards on a double pass around right end. McGinnis made another first down to put the ball on Hondo's 7-yard line. McGinnis plunged the line four times in vain and Hondo took the ball on the 8-yard line. Windrow kicked to the 31-yard line where Steinle killed the ball. Rucker threw McGinnis for a two yard loss but Smith completed a pass for 11 yards and first down. McGinnis made first down and then went over for touchdown. Finger broke up a pass for point. Score, Sabinal 18; Hondo 7.

Windrow took McGinnis' kickoff on the 30-yard line and sidestepped, dodged and raced 70 yards for touchdown. Windrow place-kicked goal for the extra point. Score, Sabinal 18; Hondo 14.

McGinnis brought the kickoff back to the 38-yard line. Rucker recovered Sabinal's fumble on the 43-yard line. Finger, Leinweber and Windrow pulled a double pass for 28 yards. Windrow passed to Wilson for 13 yards. Sabinal got the ball on their 18-yard line. Game ended with the ball in Sabinal's possession on their 27-yard line. Score, Sabinal 18; Hondo 14.

DEVINE DEFEATS CRYSTAL CITY AS DICKSON SCORES ON INTERCEPTED PASS

Devine defeated Crystal City here last Saturday 7 to 0 when with four minutes to play Dickson intercepted a Crystal City pass on his own 5-yard line and ran 95 yards for touchdown. Dickson scored the extra point on a line plunge. Both teams made numerous first downs, marching down the field to within the 20-yard line only to be stopped as the defensive line braced and took the ball on downs.

The hard and accurate tackling of the lighter Devine players was the feature of the game. Several times

To Identify Genuine Aspirin

THE increasing use of Bayer Aspirin every year is proof that it has no ill effects. It is the accepted antidote for pain. It always helps; it never harms. Quick relief when you've a headache, or cold; or are suffering from neuralgia or neuritis. Rheumatic pains yield, too, if you'll only give these tablets a chance. But you want genuine Aspirin, so look for the Bayer Cross on every tablet. The box always bears the name Bayer and the word genuine printed in red.

Aspirin is the trade mark of Bayer Manufacture of Monaceticacidester of Salicylicacid

FARM LOANS

The Hondo National Farm Loan Association, H. E. Haass, Sec.-Treas., Hondo, Texas, representing 260 borrowers with \$1,025,280.00 borrowed, is prepared to make farm loans anywhere in Medina County under the Federal Farm Loan Act at 5 per cent interest and 1 per cent 36 year amortization repayment plan. Sixty-two thousand Texas farmers have taken advantage of this system of borrowing over one hundred eighty-one million dollars. Why not you? Former restrictions have been taken off and you may borrow for any purpose provided for in the Act, as a farmer only.

MOVIETONE CAPTURES BROADWAY'S BRIGHTEST STAR AS LENORE ULRIC MAKES ALASKAN FILM.

Lenore Ulric, the lovely; the talented; the beautiful and exiote, has come to the talkies. And with her coming to the talkies another laurel has been added to the crown of Wm. Fox, under whose sponsorship the talking screen is enabled to present this marvelous dramatic actress. It is said that the salary she draws for one week is equal to the combined salaries of some of screenom's most popular players. But that is neither here nor there. What really matters is that Lenore Ulric, whose name has been in electric lights on old Broadway for ten seasons has come to the talkies. Her first picture-talkie is "Frozen Justice," an epic of Alaska. Her supporting cast includes Robert Frazier, Louis Wolheim, El Brendel, Tom Patricola, Laska Winter and many more including a genuine tribe of Eskimos. Allan Dwan, famed director, directed her in her talkie debut. According to all critics, far and wide, "Frozen Justice" is something to shout about. It will be shown at the Greater Majestic theatre, all of next week, starting Saturday, November 16th.

Lenore Ulric, the famed Belasco stage star, in a scene from "Frozen Justice," Wm. Fox's all talking Movietone epic of the Far North. Robert Frazier is the man. It's next week's screen fare at the Greater Majestic.

Lenore Ulric's best characterizations on Broadway were as "Tiger Rose," "Kiki," "Lula Belle" and recently "Mimi". When she essayed the role of an Eskimo woman in "Frozen Justice," it just about completed her repertoire of women. She has played roles that placed her as a mulatto, Indian, Chinese, French, French Canadian, Hawaiian, Turkish, Arabian and one time an American.

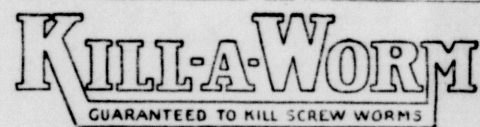

On the same bill with her at the Greater Majestic is a five-act vaudeville bill, that includes two headline acts, Charles Althoff, "The Yankee Addier" and Jimmy Allard and Company in "Journey's End".

DEVINE SCORES UPSET OF DOPE BY PUTTING ACROSS TOUCHDOWNS ON UVALDE

With only one day's rest, Devine went to Uvalde Monday and scored a large upset of dope by playing a fast game that ended with Uvalde winning 51-12. Although the margin of Uvalde's win was large, it was doped that Devine would not be able to score while keeping the Coyotes from making eight touchdowns. Not only did Devine score two touchdowns, but they put over two more counters but were called back for minor offensives.

CAN WORK WITH BEST
OF THEM NOW, HE SAYS

"I suffered with constipation for five years, and during the past two years was so weak and rundown, and had to spend so much time in bed, I finally had to quit work entirely.

J. T. STOKES

I suffered with indigestion and would bloat up so after meals I couldn't fasten my clothing and had awful pains in my stomach, between my shoulders and around my liver. It's wonderful what the Sargon treatment did for me. Every pain in my body is gone, I eat hearty meals and my digestion is perfect. I'm so strong and well now I can put in a hard day's work with the best of them. The clothes I couldn't fasten are loose on me now and I feel like a different man.

"Sargon Pills rid me of constipation, toned up my liver and I'll gladly tell anybody what I think of this wonderful treatment."—P. T. Stokes, 3039 Arizona St., Dallas. W. H. Windrow, Agent.

Select Your Location on the Plat Now

No other opportunity offers a safer investment for idle money than land. No more land is being made; populations are increasing; the world's millions must have homes! If you have a little idle money don't waste it; invest it in some of this desirable town property in this exclusive white residential district.

WATCH YOUR INVESTMENT GROW IN VALUE.

Every young person looks forward to the happy time when they can become a home-owner and home-maker. Many put off making a start until they have "accumulated a stake" and so wait too long.

DON'T MAKE ANY MISTAKE.

If you are earning \$10.00 a month above necessary living expenses, pick out a lot or two or an acre, as you prefer, from the plat and "cinch it" now. You will pay for it without missing the outlay and you will have the homestead when the home-building time arrives.

YOU CAN'T GO WRONG IN BUYING HERE.

Clip, fill out and attach \$10.00 to the same and mail or hand to us with your first and second choice of property and start now to be a freeholder in this splendid Addition in the best town in the world and among the best neighbors you'll ever find.

THE SECOND ANNUAL FAIR SCORES A BIG SUCCESS

(Continued from first page.)

Grace Zinsmeyer; Esquires: Joe Mueller, Herman Fohn.

Lady Lucille of the House of Williamson, Duchess of Natalia; Duke, Tom Mason; Maids: Lucile Atkins, Lenoir Koenig; Esquires: J. J. Johnson, Tom Sorrel.

Lady Helen Ann of the House of Miller, Duchess of Hondo; Duke, Homer Rothe; Maids: Mary Crouch, Janice Holloway; Esquires: Herman Finger, Ralph de Montel.

Noble visitors of the court of the seasons were:

Miss Pauline Brooks, Duchess of Pearsall; Duke, Benton Roberts; Maids, Ione Davis, Ludell Howard; Esquires: Garrett Killough, George Thompson.

Miss Nan Kennedy, Duchess of Sabinal; Duke, Richard Hardin; Maids: Jennie Mae Griffin, Margaret Crews; Esquires: D. W. Suttle, J. C. Carmichael.

The live stock and poultry exhibits, while not distinguished by any great amount of competition within the individual breed or class, afforded a surprisingly large array of different classes, and shows a healthy interest in purebred stock and poultry in the county. And the general exhibits in the exhibition hall presented a still greater variety. As we have been promised a complete list of all prize awards, for publication as space and time will permit, we omit individual mention at this time and hope eventually to publish every prize awarded.

The Fair Management is to be congratulated upon the success of the undertaking.

We print wedding invitations at the Anvil Herald office.

NOTICE TO CONTRACTORS FOR STATE ROAD AND BRIDGE CONSTRUCTION.

Sealed proposals addressed to the State Highway Engineer of Texas, for the improvement of that part of State Highway No. 3, covered by F. A. P. No. 270-F in Medina County, will be received at the office of the State Highway Engineer at Austin, Texas, until 10 o'clock, A. M., November 25, 1929, and then publicly opened and read.

Work consists of construction of Grading and Drainage Structures from D'Hanis West on State Highway No. 3, a distance of 1.492 miles. A certified or cashier's check for \$3,000.00 is required.

Detailed plans and specifications of the work may be seen for examination, and information may be obtained at the office of H. P. Stockton, Jr., District Engineer, at 716 Maverick Bldg., San Antonio, Texas, and at the office of the State Highway Department, State Office Building, Austin, Texas.

The usual rights are reserved.

STIEGLER-HELLUMS.

At the home of Mrs. Minnie Hellums, 1314 Avenue B, Saturday evening, November 9 at 8 o'clock, Miss Josephine Hellums became the bride of Roy W. Stiegler.

The home was prettily decorated for the occasion. The living and dining rooms were decorated in green and white.

The bride attendants, Miss Olive Young and W. E. Ward, brother of the bride, entered first, followed by Miss Mayne Cross, maid of honor, and J. C. McGee, best man.

The bride wore a brown satin sport suit and carried a bouquet of white carnations.

After the ceremony, the wedding cake was cut by the bride and cake and punch were served. Only the family and a few intimate friends were present.

Mr. and Mrs. Stiegler left immediately for Corpus Christi with Miss Cross and Mr. McGee.

The out-of-town guests were Mr. and Mrs. August H. Stiegler and Emmitt Stiegler of Hondo, the parents and brother of the bridegroom.

DONALDSON MOVING TO NEW LOCATION.

DEVINE, Tex., Nov. 8.—The Donaldson Development Company, who found oil and gas in their No. 1 well which is two miles south of Devine, but which could not be made a paying producer, are moving their derrick to another location a few hundred yards from their No. 1. Two other companies are getting ready to put up derricks now; one company on their lease about six miles west of Devine, and the other a few miles southeast of Devine, in the Big Foot neighborhood.

DEVINE PUBLISHER MARRIES AT PEARSALL.

DEVINE, Tex., Nov. 9.—Miss Kathleen Cox, daughter of Mrs. Mary H. Cox, was married to Chas. P. DuBose, a member of the firm of DuBose and Sons, editors and publishers of the Devine News, on Wednesday evening. The couple motored to Pearsall and was married by Rev. Walter Davis, pastor of the Baptist Church there. Mr. and Mrs. DuBose are spending their honeymoon in Galveston.

SECO RIVER BRIDGE CONTRACT TO BE LET.

AUSTIN, Nov. 7.—Contract will be awarded for the construction of a steel and concrete bridge over the Seco River in Medina County, at an estimated cost of \$40,000 at the monthly session of the Highway Commission here November 25 and 26, G. G. Wickline, State highway engineer, announced Thursday.

The bridge will be on Highway No. 3 between D'Hanis and Uvalde, five miles from D'Hanis.

TURKEY TALK

MY MARKET WILL BE OPEN FRIDAY, NOVEMBER 8, TO BUY TURKEYS.

I WILL USE THE SAME METHODS IN BUYING THIS YEAR AS I HAVE KEPT THEM THIS LONG. WHY NOT GROW THEM AS MUCH AS POSSIBLE? THEREFORE, ANYTHING THAT IS WELL MATURED AND NOT ALL SKIN AND BONES WILL GO AS A NO. 1. THAT IS LEFT UP TO OUR JUDGMENT.

MY ADVICE, IS DO NOT SELL YOUR YOUNG BIRDS BEFORE THEY GET WELL MATURED. YOU LOSE IN WEIGHT AS WELL AS PRICE. YOU HAVE KEPT THEM THIS LONG. WHY NOT GROW THEM AS MUCH AS POSSIBLE? THE PRICE IS SO LOW THAT I DON'T SEE HOW YOU CAN LOSE MUCH IN PRICE, AND THE PRICE HAS PLENTY ROOM TO BE BETTER.

WE WILL GO ANYWHERE, ANYTIME WHEN YOU HAVE ANY AMOUNT OF TURKEYS TO SELL. WE BUY AT YOUR DOOR, WEIGH UP AND PAY YOU RIGHT THERE. GIVES YOU THE CHANCE TO KEEP BACK WHAT WE DON'T TAKE AS NO. 1 TO GROW MORE.

WE WILL NOT DRIVE ALL OVER THE COUNTRY EMPTY. THAT IS JUST AN ADDED EXPENSE THAT YOU WILL HAVE TO PAY FOR. WRITE OR PHONE ME FOR PRICES AND WHEN YOU ARE READY TO SELL I WILL ASSURE YOU THAT YOU WILL GET FULL VALUE FOR YOUR PRODUCE.

ALWAYS REMEMBER I AM NOT THE ONLY TURKEY BUYER; GET THEIR PRICES AND METHODS AND COMPARE OUR PRICES AND METHODS OF BUYING, THEN USE YOUR OWN JUDGMENT AS TO WHO TO SELL TO, AND I AM QUITE SURE YOU WILL SELL TO ME.

I HAVE ONLY ONE TRUCK DRIVER. WE DO MOST OF THE WORK OURSELVES; NOT MUCH OVERHEAD EXPENSE. YOU WILL GET THE BENEFIT OF THIS IN THE PRICE WE PAY.

PHONE NO. 138W.
